Dear Sir,

Greetings from Bihar Abilympics Association

Abilympics (Olympics of Abilities) are vocational skills competitions, specifically designed for Persons with Disabilities, to enable them to display their unique talents. The first Abilympics competition was held in Tokyo in 1981 to commemorate the United Nations' International Year of Disabled Persons (IYDP). Abilympics now takes place every four years, governed under the International Abilympic Federation (IAF), with its headquarters in Tokyo, Japan. The competitions have been internationally held in Perth, Australia (1995) Prague, The Czech Republic (2000), New Delhi, India (2003), Shizuoka, Japan (2007), Seoul, South Korea (2011), and Bordeaux, France (2016), to enrich disabled persons' lives by training and encouraging them to pursue their utmost potential.

Abilympics in India is held under the auspices of the National Abilympics Association of India (NAAI) under the ambit of Sarthak Educational Trust.
