D.O.No. NHF/1/3/Notional Allocation/2017/SSS  
Dated: 23.04.2019

**Subject : Notional allocation of NHFDC funds for 2019-20**

Dear Shri Sushant Kumar Ji,

As per the lending policy, National Handicapped Finance and Development Corporation (NHDFDC) notionally allocate funds to its State Channelizing Agencies (SCAs) for disbursement to target group at the beginning of each financial year.

2. During the current financial year (2019-20), NHFDC has also made notional allocation of funds to its SCAs based on disabled population of States/UTs with respect to the country's total disabled population besides taking into consideration the last three years disbursement under NHFDC schemes by the concerned SCA. The minimum allocation to SCA is kept at Rs.20.00 lakhs.
3. For the financial year 2019-20, the NHFDC's allocation to your corporation as per 2011 census is given as under:

State Channelizing Agency	Notional Allocation (Rs in crore)	Beneficiaries Target (no's)
Bihar State Backward Classes Finance & Development Corporation (BCBCFDC)	9.25	1234

4. It is worth mentioning here that **NHFDC provide incentive towards Higher Turn-over SCA.** Your Corporation may become eligible for Higher Turn-over Incentive on achievement of above notional allocation and fulfilling other conditions during the year, i.e. 0.5% of the notional allocation.

5. Please note that NHFDC schemes need to be implemented in such a manner that funds to each district/block are provided based on their disabled population. Also, it may be ensured that benefits of NHFDC schemes accrue to the eligible beneficiaries. Further, the benefit of NHFDC schemes may be given to all categories of disabilities and women, in proportion to their share in the total state disabled population.

6. Further, it is to inform that the status of notional allocation of fund vis-à-vis actual utilization/release of funds, as on 31<sup>st</sup> October of the financial year, shall be reviewed by NHFDC in the month of November, and in case of non-availing of allocation by your corporation due to any reason, the funds earmarked may be re-allocated by NHFDC to other state(s)/UT(s). In addition, the achievement shall be reviewed once again on 15.01.2020 and reallocations shall be modified, if required. **Therefore, your corporation may take timely action to sponsor sufficient viable proposals and sort out pending issues in implementation of NHFDC schemes, to avoid loss to disabled population of your state by way of reallocation.**
